Pant Du Cider

Pant Du Vineyard and Orchard is situated on the stunning slopes of the Nantlle Valley, Snowdonia, North Wales. The vineyard and orchard has been planted on the south facing glacial slopes of the valley, at the foothills of Snowdon. 500 of the native Welsh varieties are Bardsey Apple trees, a variety that was at one time almost extinct. Through planting so many of the trees, Pant Du are contributing towards the development and future of the historical apple from the Llŷn Peninsula.

Pant Du produces two types of cider:

Dry Cider 750ml, 6.7% vol. £10.00

Medium Dry Cider 750ml, 6.9% vol. £10.00

Pant Du Water

"Sourced from the glacial valley of Dyffryn Nantlle, at the foothills of Snowdon. This water is unique and well balanced in minerality due to its journey through Pre-Cambrian rocks which were formed over 500 million years ago." Pant Du Spring water is available in both Still and Sparkling 750ml beautifully designed glass bottles.
